**CLEAR CHANNEL RADIO MIAMI LAUNCHES**  
**NEW SPANISH HOT ADULT CONTEMPORARY STATION**  
**SUPER X 103.5**

(Miami, FL)-May 14, 2010 - Brian Olson, President & Market Manager of Clear Channel Radio Miami today announces the launch of SUPER X 103.5 which will replace Urban 103.5 The Beat. South Florida's newest Spanish Adult Contemporary station kicked off at noon and features recording artists such as: Chayanne, Shakira, Marc Anthony, Alejandro Fernandez, Gloria Estefan, Luis Miguel and Juan Luis Guerra. The station will announce programming line-up with local on-air personalities in the near future. 103.5 Super X will also be available on iHeartRadio at [www.iheartradio.com](http://www.iheartradio.com) and [www.1035superx.com](http://www.1035superx.com).

"Based on the South Florida population being over fifty percent Hispanic and growing, adding a second Spanish language format to the cluster provides us the best opportunity to mirror the South Florida market," said Olson. "The addition of 103.5 Super X will strategically compliment MEGA 94.9. The combination of these two radio stations will provide an unparalleled reach of Hispanic Adults 18-54."

In 2004, Clear Channel Radio announced a Spanish-language programming initiative led by Senior Vice President of Hispanic Radio, Alfredo Alonso. Since its inception, Clear Channel Radio has significantly expanded the programming and availability of Spanish-language radio formats on Clear Channel Radio stations in 20 markets.
